Please note: graduate applicants were ranked separately from non-graduate applicants for invitation to interview purposes because of differences in the scoring system. However, all applicants will be ranked together when looking at interview scores.

* The score listed is the lowest score required to be guaranteed to be invited to interview. There were some applicants who scored lower than this who were invited to interview. Those applicants were in a borderline group who had their application assessed in a tie-breaker situation. Please note: our scoring system can change every year, and as such, this score should in no way be deemed to be a minimum required every year to receive an invite to interview.

Applicants who applied with **achieved A-Levels grades** who met the entry requirements and had a UCAT score in the top 2 deciles were invited to interview. Those with a lower UCAT score were scored in the same way as candidates with predicted grades.

Contextual data is used to provide equal opportunity to applicants from all backgrounds on our A100 course in the following ways.

Applicants who successfully complete a Realising Opportunities Programme (ROP) or the AccessLeicester:Medicine programme were automatically invited to interview providing they met all our minimum requirements and had a UCAT score in the top 7 deciles. If successful at interview, these candidates may be made an adjusted offer of ABB at A-level.

Applicants who were in a borderline group pre-interview were assessed using the following contextual data:

- a) UCAT bursary flag
- b) POLAR 4 quintile 1 or 2
- c) Attended a non-selective state school for GCSEs which has an Attainment Score 8 below the national average for the 2018 cycle.
- d) Or Refugee status
- e) Or more than three months in local authority care,

as well as their whole UCAS application and UCAT result.

These contextual criteria will also be used for those in a borderline group post-interview, along with any interview comments.

Offers will be given in order of interview score and assessment of all aspects of the application, including the personal statement and reference.
